Memorandum;

Application of Andrij Nypiuk to purchase the fracl. S.W.¼ of 23--57--20, W. 4th M., lying southeast of river. Containing 29.6 acres. Shown on the sketch attached coloured green.

I beg to submit for your consideration the application above referred to. The land is available according to the departmental records, and the applicant has been granted homestead patent for the adjoining fractional N.W.¼ of Section 14, shown on the sketch coloured pink.

The Homestead Inspector in his report hereunder states;

"I find that entrant on S.E. 23-57-20 has broken about 3 acres on this frac. and has been cropping it for several years. His fence includes this breaking. While this frac. would appear to more directly between his homestead, S.E. 23-57-20, than that of applicant to purchase his hom - being N.W. 14-57-20, but from the fact of entrant on S.E. 14 having been allowed to purchase the Frac. N.W.¼ 14 giving him good river frontage, I would recommend that Mr. Nypiuk on N.W. 14 be granted privilege of this purchase at $3.00 per acre. The land is somewhat broken by the river bank. I think that $3.00 per acre would be fair. As to value of improvements the fencing would no doubt be removed. Value of breaking would be fifteen ($15.00) dollars."

I beg to recommend that Mr. Nypiuk be permitted to purchase the parcel in question at.....

W.C. Todd, Esq., I.S.C.,
Controller.

(y)t the Inspector's valuation of $7.00 an acre upon
[pay]ing the entrant sum of $15.00, the value of the
[rem]aining portion of the entrant on the S.E.¼ of sec-
tion 23. It will also be necessary for Mr. Lypiuk
to have filed here an abstract of title or duplicate
certificate of title showing him to be the registered
owner of the said fractional N.E.¼ of Section 14.

I may add that the reference in the Inspector's
report to the entrant on the S.E.¼ of Section 14 having
been permitted to purchase the fractional N.E.¼ of Sec-
tion 14 should undoubtedly refer to the fact that the
entrant for the fractional S.E.¼ of Section 23 was per-
mitted to purchase the fractional N.E.¼ of the same sec-
tion, east of the river, and has acquired patent therefor.

OTTAWA - 1925

Memorandum:

Request for Title under Order in Council of the 4th June, 1921, where duties completed by soldier settler.

Re: Ernest Magnant,
S.W.¼ 18-61-10 W. 4th (Hsd.)

The above-described land is the unpatented homestead of this settler.

Subsequent to the initial loan approved in his favour on the 4th September, 1919, the settler secured advances from the Board totalling $1505.00, as follows: stock and equipment, $1064.70; permanent improvements, $440.30. As security the Board holds a charge on the settler's homestead. The Board holds no other land security in this case.

The Board is informed that the settler has completed the duties in connection with his homestead, and would be entitled to receive patent but for the Board's charge. This is confirmed by the letter from the Assistant Secretary of the Department of the Interior to the settler, dated the 5th February, 1925.

The regulations approved by the Governor in Council on the 4th June, 1921, P.C. 1021, enable the Minister, on completion of duties by the settler and on the request of the Board, to vest the settler's right, title and interest in the unpatented Dominion land held by him in the Board, title remaining in the Board until the settler's indebtedness has been repaid. Such transfer of title also enables the settler to negotiate a sale of the land with the view to repaying the loan he has obtained from the Board.

The settler has requested that title to the land be issued to the Board. There is nothing on file to show that he contemplates discontinuing his farming enterprise. However, the settler desires to have title issued as aforesaid in order that it may be held by the Board as security for the advances granted, and in order to be in a position to negotiate a sale should he decide to do so at a future date.

Under the provisions of the regulations referred to, the Board hereby requests that the right, title and interest of His Majesty in the S.W.¼ 18-61-10 W. 4th be vested in the Soldier Settlement Board.

The Board has an effective charge on the land under the recent amendment to Section 20 of the Soldier Settlement Act, as all the advances referred to in the second paragraph hereof were made to the settler subsequent to the date of entry for his homestead.

A Vesting Order for signature is attached hereto.

W. W. Cory, Esq., C.M.G.,
Deputy Minister of the Interior,
OTTAWA.

TO WHOM IT MAY CONCERN:

WHEREAS Ernest Magnant, a "settler" within the meaning of the Soldier Settlement Act, 1919, who holds under entry a parcel of Dominion Lands, namely, the S.W.¼ 18-61-19 W.4th Meridian, on which a charge has been imposed, constituted or created under the said Act, has complied with the conditions of his entry to entitle him to receive Letters Patent for the said land but for the charge imposed against it as aforesaid;

AND WHEREAS, pursuant to an application made by the said Ernest Magnant, who is residing on the said land, The Soldier Settlement Board of Canada has requested the Minister to transfer the said land to the Board to be dealt with by it in accordance with the regulations approved by the Governor in Council on the 4th day of June, 1921, P.C.1821.

WITNESSETH that the undersigned, pursuant to the powers and authorities conferred upon him by the said regulations approved by the Governor in Council on the 4th day of June, 1921, P.C. 1821, declares the right, title and interest of His Majesty in the said land, except mines and minerals, whether solid, liquid or gaseous, to be vested in The Soldier Settlement Board of Canada.

DATED at Ottawa, this 24th day of October, A.D. 1921.

OTTAWA - OCT - 1930

MEMORANDUM:

Request for transfer of Dominion Lands under Section 27 of the Soldier Settlement Act.

Re: Robert Faulder,
N.E.¼ 17-57-9 W.5th (Hsd.)

The above described land was secured by this settler under homestead entry. The settler has made default in the terms of his agreement with the Board and abandoned the land. His agreement has been rescinded.

The settler was established with a loan in May, 1919, and in due course secured advances from the Board amounting to $5409.45, as follows: land purchased, $2260.00, permanent improvements, $826.35; stock and equipment, $1409.20; special advances, $913.90. As security the Board holds a charge on the settler's homestead. The only other land security held by the Board in this case is title to the W.½ 28-57-9 W.5th purchased for the settler.

Both the settler and his wife are quite elderly and the Field Supervisor in August 1923, reported that the settler's health is such that farm work is too much for him. They both informed the Field Supervisor that they had made up their minds to give up the farm. The settler executed a Quit Claim Deed in favour of the Board on the 14th of September, 1923, and his agreement was rescinded pursuant thereto.

The settler's indebtedness to the Board amounts to $7057.45. The half section purchased for the settler was appraised in August 1928 at $2271.00. Every effort has been made to secure a purchaser for this land but without success. The homestead was appraised in July last at $267.00. This quarter-section is in a sparsely settled district and contains considerable swamp and muskeg. No arrangements have been made for the disposal of this land and no offers have been received.

The land in question being charged land within the meaning of Section 27 of the Soldier Settlement Act, and the settler being in default with respect to the terms and conditions of his agreement made with the Board, it is hereby requested that the right, title and interest of the said settler in the above land be forfeited and the said right, title and interest of the settler and also the right, title and interest of His Majesty to and in the said charged land be vested in the Board.

The Board has an effective charge on the land under the recent amendment to Section 26 of the Act, as $[illegible]3.17 of the advances referred to in the second paragraph hereof were made to the settler subsequent to his entry for his homestead.

A Vesting Order for signature is attached hereto.

Deputy Minister of the Interior,

Homestead Branch, Forwarded for

Sir,

D.L.S. 9-64-1-W.5th.M.

In reply to your letter of the 22nd ultimo, I beg to advise you that as the Department has received evidence of the death while on active service of your son, Eugene Joseph Roy, who held the above land under homestead entry, it has been decided that action will now be taken to have patent for this land issue in the name of the deceased entrant without calling for the performance of any further settlement duties, subject, however, to any indebtedness to the Crown which may be registered against the land.

You will be notified of the issue of patent for the homestead which will be forwarded to the Registrar for the Land Registration District in which the land is situated, and in order to obtain transfer of title it will be necessary to comply with the requirements of that official with regard to Letters Probate of Will or Letters of Administration. It is suggested that you communicate with the Registrar as soon as you receive the official notice of the issue of patent.

AUG 8 1914
D. A. LANDS BR.
JOB P. D.

The Committee of the Privy Council have had before them a Report, dated the 24th July, 1913, from the Minister of the Interior stating that the South East quarter of Section 26, Township 47, Range 2, West of the 4th Meridian, in the Province of Alberta, containing 160 acres, was, with other lands, vested in the Governor and Company of Adventurers of England trading into Hudson's Bay, commonly called the Hudson's Bay Company, upon the 3rd day of January, 1907, under the provisions in that behalf contained in the Dominion Lands Act.

The Minister further states that a homestead entry for the said quarter section was, by over-sight, granted on the 5th August, 1914, to Mr. Thomas William Harper, who has been in continuous occupation of the land since 1913, and made valuable improvements thereon.

At the request of the Department of the Interior, the Hudson's Bay Company surrendered the quarter section in question, in order that Mr. Harper's entry therefor might be confirmed, and selected, in lieu thereof, the North East quarter of Section 26, Township 32, Range 15, West of the 4th Meridian, in the Province of Alberta, containing 160 acres and which has been reserved for the Company for some time.

The Minister therefore recommends that this exchange be confirmed under the provisions of Section 76 of the Dominion Lands Act and that Letters Patent for the said North East quarter of Section 26, Township 32, Range 15, West of the 4th Meridian, in the Province of Alberta, containing 160 acres, and which is available for the purpose, be issued in favour of the Hudson's Bay Company in exchange for the North East quarter of Section 26, Township 47, Range 2, West of the 4th Meridian, in the Province of Alberta, containing 160 acres, as mentioned, the effect of the right of the location of [illegible] stead entry granted for the last mentioned land on the 5th August, 1914, to the said Thomas William Harper be confirmed.

The Committee concur in the foregoing recommendation and submit the same for approval.

The Honourable
The Minister of the Interior.

[illegible]
Clerk of the Privy Council.

MEMORANDUM:- Hudson's Bay Company---Exchange
Thomas W. Ripper.
S.W.¼ of 26-[illegible]-2 W. 5th M.
N.E.¼ of 26-32-15 W. 4th M.

Replying to your memorandum of the 4th instant, returned herewith, I beg to state that at the request of the Department the Hudson's Bay Company surrendered to the Crown the S.W.¼ of Section 26, Township [illegible], Range 2, West of the 5th Meridian, for which a homestead entry had, in error, been granted to Thomas W. Ripper.

Patent for the N.E.¼ of Section 26, Township 32, Range 15, West of the 4th Meridian, selected in exchange, and dated the 12th October, 1915, was sent to the Registrar at Calgary on the 25th ultimo, of which action Mr. Thomas, Land Commissioner of the Hudson's Bay Company, was notified. He had not, however, received such notification when he spoke to you regarding the matter.

This exchange is closed.

Ref.[illegible]761 also quoted, refers to the S.W.¼ of Section 26, Township 45, Range 2, West of the 5th Meridian, title to which passed to the Hudson's Bay Company on the 3rd January, 1907.

As an entry had been granted to Henry L. Ripper it was at one time proposed to exchange this quarter-section with the Company but as Mr. Ripper's entry was cancelled such action was not necessary.

This matter is also closed.

Respectfully submitted,

[illegible]

The Hon. Roche, M.P., LL.D.,
Deputy Minister of the Interior.

Re: Account of Adam Scheck
N.W. 18-36-1-W4.

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1915 and 1919 seed grain and relief amounting to $240.00 were advanced to Adam Scheck on the security of the above mentioned land. A payment of $45.22 was received in 1922 and applied to the principal and interest. The present standing of this account is:-

Principal	Interest	Total
$206.62	$470.12	$676.74

The N.W. 18-36-1-W4 was formerly the homestead entry of the debtor on which security he obtained advances of seed grain and relief in 1915 and 1919. His entry was later cancelled and the land is still unalienated Crown land held in the right of the Province.

In reply to our questionnaire of the 19th of May 1952, J.H. Todrick, Supervisor, Special Areas, Department of Municipal Affairs, Province of Alberta, wrote as follows:-

"This parcel is unalienated crown land vacant at present. This land is located in that part of the Province designated Special Areas and as such there is little likelihood that same will ever be disposed of by sale or utilized for any purposes other than grazing."

The information obtained indicates that the land is unsuitable for farming purposes and no longer offers any security of value for our advances. Under the circumstances it is recommended that the balance of the indebtedness be cancelled.

MEMORANDUM:

Request for transfer of Dominion Lands.

Re: Robert S. McMurray - No.1-1146.
L. & I. b-29-4-7.4th M. - S.S.

The above named settler secured advances from the Board totalling $3352., the Board taking a charge upon his unpatented soldier grant above described. Owing to such charge, patent to the soldier grant cannot be issued to the settler until his indebtedness to the Board has been fully discharged.

We are now in receipt of an application from Mr. McMurray requesting that patent to his soldier grant should be issued in favour of the Board. Mr. McMurray states that he has completed all duties in connection with his soldier grant and would be entitled to receive patent therefor were it not for our charge. This is confirmed by the letter from the Secretary of the Department to the Board, dated February 6th, 1925, copy of which is attached hereto.

In order to enable a settler to negotiate a sale of land in cases of this character, special regulations were promulgated by the Board and approved by the Governor in Council on the 4th day of June, 1921, (P.C.1081), which enables the Minister, on completion of duties by the settler and on the request of the Board, to vest the settler's right, title and interest in the unpatented land held by him in the Board, title remaining in the Board until the settler's indebtedness to it has been repaid. Under the provisions of these regulations, the Board hereby requests that the right, title and interest of His Majesty in the L. & I. of b-29-4-7.4th M. be vested in the Soldier Settlement Board. The vesting order in council is attached hereto for the Minister's signature.

Respectfully submitted,

CHAIRMAN.

APPLICATION TO PURCHASE

Part of L.S.8 in 16, 57, 3, W. 5th Mer., lying east of lake, and containing 1.4 acres, hatched in red on sketch. Vacant.

I beg to submit the application of M.R.Suvan to purchase this parcel in connection with his homestead the adjoining S.W.¼ of Section 15 for which he obtained entry in October, 1914.

The Homestead Inspector reports as follows on this application:-

"Mr. M. R. Suvan has made application to purchase fract. Legal Subdivision 8 lying east of lake of S.E.¼ 16, 57, 3, W. 5th and containing according to plan 1.4 acres, would value this land at $10.00 per acre. It is situated in a nice place for summer resort or private residence over-looking a most beautiful lake. It is rumored that the railway will pass close to this land and if it does it will be an ideal spot. At present entrant wants this land to save him from fencing so much, if he got it he could run his fence to lake which would save him fencing."

A sale if authorized should, of course, be made subject to the applicant's earning patent for his homestead.

I may add that the portion of the W.½ of Section 16, lying south of lake and comprising 87.8 acres, stands as a homestead in the name of Frederick Johnson.

- Calgary District -

On the 11th of April, 1919, a loan of $3000. was approved in favour of Alexander Prophet Ewart, a qualified soldier settler, and, as security for its advances, a charge was imposed by the Board upon the above described land, the homestead, soldier grant and pre-emption entries respectively of the said settler. The loan in this case was subsequently increased by additional approvals to $3150. the full amount of which the Board expended on the settler's behalf in the purchase of stock and equip ment and permanent improvements.

The settler suffered three successive crop failures, became wholly discouraged and decided to discontinue farming operations on this property. The Board endeavoured to persuade him to remain and carry on with the proposition, but he could not be induced to reconsider his decision and in order to protect its interests, the Board was compelled to institute adjustment proceedings. In due course the agreement of the settler was rescinded pursuant to a Quit Claim Deed executed by him on the 26th November, 1921.

The land in question being "charged land" within the meaning of Section 27 of The Soldier Settlement Act, and the settler being in default with respect to the terms and conditions of the agreement made with the Board, it is hereby requested that the right, title and interest of the said settler in the above land be forfeited, and that the said right, title and interest of the settler and also the right, title and interest of His Majesty to and in the said "charged land" be vested in the Board.

REQUEST FOR TRANSFER OF DOMINION LAND:

- Calgary District -

On the 11th of April, 1919, a loan of $3000. was approved in favour of Alexander Prophet Ewart, a qualified soldier settler, and, as security for its advances, a charge was imposed by the Board upon the above described land, the homestead, soldier grant and pre-emption entries respectively of the said settler. The loan in this case was subsequently increased by additional approvals to $3150. the full amount of which the Board expended on the settler's behalf in the purchase of stock and equip ment and permanent improvements.

The settler suffered three successive crop failures, became wholly discouraged and decided to discontinue farming operations on this property. The Board endeavoured to persuade him to remain and carry on with the proposition, but he could not be induced to reconsider his decision and in order to protect its interests, the Board was compelled to institute adjustment proceedings. In due course the agreement of the settler was rescinded pursuant to a Quit Claim Deed executed by him on the 26th November, 1921.

The land in question being "charged land" within the meaning of Section 27 of The Soldier Settlement Act, and the settler being in default with respect to the terms and conditions of the agreement made with the Board, it is hereby requested that the right, title and interest of the said settler in the above land be forfeited, and that the said right, title and interest of the settler and also the right, title and interest of His Majesty to and in the said "charged land" be vested in the Board.
